FIRST2 NETWORK: SUPPORT TEAM

The First2 Network is an expanding group of people and organizations working to increase the number of college graduates in science, technology, engineering, and math (STEM) to strengthen our communities and drive an innovation economy in West Virginia and beyond. First2 focuses on rural, first-generation, low-income, and other underrepresented STEM students, making sure all our students can succeed. First2 works in true partnership with student leaders, tests and learns with stakeholders to share and scale high-impact practices, and drives systemic change through informed policy and resource allocation.

The First2 Network is supported by the U.S. National Science Foundation under Award Numbers: HRD-1834586, WV Higher Education Policy Commission; HRD-1834601, Green Bank Observatory; HRD-1834575, Fairmont State University; HRD-1834586, WV Higher Education Policy Commission; HRD-1834595, High Rocks Educational Corporation; HRD-1834569, West Virginia University.
