

2023 WV JOBS **POWER** NETWORK OVERVIEW **SKILLS**

WV Jobs Network is powered by the Appalachian Regional Commission, Economic Development Association, and the Benedum Foundation

Power Skills are a special combination of skills that create innovative, team-oriented people who excel in the workplace and in life. Sometimes referred to as “soft skills” or “essential skills”, these skills are not soft at all. In fact, we call them Power Skills because these are the next-level skills that help build thriving businesses, new opportunities, and healthy communities.

15 POWER SKILLS		
INITIATIVE	TIME MANAGEMENT AND PRIORITIZATION	ADAPTABILITY AND FLEXIBILITY
FOCUS AND PRODUCTIVITY	WORKPLACE COMMUNICATION	CUSTOMER FOCUS
PROJECT MANAGEMENT	CRITICAL THINKING AND PROBLEM SOLVING	TEAMWORK
LEADERSHIP	PUBLIC SPEAKING AND ADVOCACY	NETWORKING
EMOTIONAL INTELLIGENCE	CITIZENSHIP AND COMMUNITY	DIVERSITY AND INCLUSION

What does a participant gain?

- Increased skillset for personal and professional development
- A power skills portfolio to show your capabilities
- Access to resources and a community of individuals working to improve themselves
- A digital credential through an online credentialing badge provider (independently verifiable)
- Coaching and proof of skills improvement
