

Blue Ridge Community and Technical College

Dianne Rose & Nathan Clark

Pi Day 2024

- Great survey results (88% response rate)

STEM Capstone Socials - Fall & Spring

- Great attendance & data collection (67% response rate)
- Passports helped: Had to-do list, QR code for survey

2023-2024 Successes and Highlights

Escape Room

- Great time!

2023-2024 Challenges

- Campus Club Recruitment and Attendance
 - Data collection

- Addressing the Challenges
 - Earlier advertising for campus clubs and events
 - Improved advertising (including student newsletter)
 - Mass emails & Discord communication for campus club & events
 - Two separate (alternating) club meeting times to accommodate student schedules
 - Increased use of “Passports” as physical checklist of things to do
(include taking the survey at the end of the event)
 - Dedicated effort to improved data collection (club president, institutional team members & reminder from our co-curricular assessment coordinator!)
