

# COALFIELD DEVELOPMENT

REBUILDING THE APPALACHIAN ECONOMY FROM THE GROUND UP.

## Social Enterprises, Programs, & Initiatives

### Refresh Appalachia & The Wild Ramp

Social enterprise developing our food system and fostering economic opportunities while promoting agriculture in the region.

### Mountain Mindful

Social enterprise and lifestyle brand creating products and providing training for individuals facing barriers to employment.

### Revitalize Appalachia

Social enterprise, real estate developer, and licensed contractor transforming community spaces and providing on-the-job training.

### RePower Appalachia

Program expanding advanced energy development in the region through technical assistance and workforce training.

### West Edge, Creative Placemaking, & Reuse

Place and program using arts, culture, and reuse of materials to celebrate the legacy, spirit, and future of our communities.

### Reclamation + Remediation

Program supporting the transformation of abandoned mine lands into assets that meet community needs.

### Workforce Development

Initiatives training and developing folks with barriers to employment personally, professionally, and academically, while helping employers provide higher quality jobs.

### Capacity Building

Initiative supporting capacity building with partner organizations and facilitating training opportunities.

## About Us

Coalfield Development is a 501(c)(3) nonprofit organization headquartered in Wayne County, WV, focused on **rebuilding the Appalachian economy from the ground up** through workforce training for individuals with barriers to employment, community-led revitalization, social enterprise development, and nonprofit capacity building. We create pathways to well-paying jobs and strong rural economies, empowering people who have been cast aside to transform the places that have been left behind to generate lasting prosperity for our communities.
