# SUCCESSSES FROM 25-26

## Smithsonian Air & Space Trip

- Learned about the space shuttle flights
- Learned about early aviation through modern aviation
- Encouraged student and faculty interaction with a scavenger hunt
- Very positive feedback from students and faculty

## STEM Club Discord Channel

- Informal social interaction among students
- Additional resource for communication
- Text and voice chat options sorted by topic
- Don's demon dog now lives on forever

## Co-Curricular Assessment

### Coordinator

- Coordinated all PDSA information with one main contact person
- Frees administrative duties to better focus on club activities
- Uniform communication with all students, faculty and the First2 Network
